

# COMMIT TO THE CHOP

once you complete this course, you'll be wearing pearls...pearls of wisdom that is... (not your nana-getting-fancy kind). designed to refresh and perfect your women's cut and style skillset - both long and short, with up-to-the-minute techniques. you'll cover: mixed layering, graduation, texturisation and disconnection. kicking off with a live demo, the class advances to hands on in the second half, so you'll walk away primed with theory and practice for the whole shebang. what a pearler.
